

## What is early intervention?

- Birth to 3 Early Intervention supports families with infants and toddlers with developmental delays or disabilities.
- It provides tailored services and resources to enhance each child's growth and development during the crucial early years.
- Services include developmental assessments, coaching sessions, and family support.
- It aims to empower parents to become advocates for their child's needs.
- A collaborative effort involving families, service providers, and community resources.

**"Parents know their children  
better than anyone else.  
They see the potential, the  
challenges, and the unique  
qualities that make each  
child special."**
