

GRANT WRITING SERVICES

CESA 5 offers competitive education-related grant services.

Guided Project Development

- Assistance in designing projects that address grant criteria
- Suggestions for project practices and partnerships to strengthen the proposal
- Guidance in formulating timelines, goals, budgets, evaluations and sustainability

The Writing and Submission of Competitive Proposals

- Gather data during project development to create a competitive grant proposal
- Submit to the district for review
- Revisions will be made by the grant writer in preparation for submissions

Ongoing Consultation

- Consultation is available throughout the grant cycle to identify problem areas, revise budgets, and develop written responses in order to improve the proposal for future submissions

Evaluation and Editing

- Assistance in evaluating and editing proposals that staff members have written, large or small
