- Assistive Technology Access (\$800 value)
- Access to our monthly Special Education Support Series (up to \$2400 value)
- Discounted additional in-district days
- Discounted workshop rates

Professional Networks

- Intellectual Disabilities/Intensive Services
- New Special Education Teachers
- School Nurses
- Special Education Secretary
- Special Education Teachers
- Speech/Language Pathologists

Direct Student Support

- Autism and Behavior Consulting
- Functional Behavioral Assessment/Behavior Support Plans
- Implementing Specially Designed Instruction (SDI)
- Student observations

Staff Coaching

- Alternate graduation requirements and Graduation via Portfolio
- Creating instructional plans that work
- Determine student needs/Root cause analysis
- IEP writing and Academic Supports

Call Erikke Nystrom-Grothaus at (608) 745-5440 to learn more about the Special Education Center.

ASSISTIVE TECHNOLOGY (AT) RESOURCES

The Assistive Technology consultant is available to CESA 5 school district staff for professional support and training related to Assistive Technology. Assistive Technology member districts receive access to our consultant and reduced cost training for AT and Accessible Educational Materials (AEM).

Contracted Service (SP01)

Assistive technology is commonly employed to support students in special education or those in need of additional support.

Supports Include

- Assessments and Implementation ideas
- Equipment
- Resource lists
- Strategies and tools
- Training opportunities

Research for student-specific challenges

- Augmentative and alternative communication (AAC) options
- Accessible Reading curriculum
- Text-based AAC apps

Tech support for devices or programs

- NovaChat programming
- Proloquo2Go
- Read/Write for Google
- Translating earphones for teachers

Call Erikke Nystrom-Grothaus at (608) 745-5440 to learn more about
Assistive Technology Resources.
