

SPECIAL EDUCATION INSTRUCTIONAL MATERIALS CENTER (SEIMC)

Contracted Service SP02

The CESA 5 SEIMC is a specialized collection of equipment, materials, and assessments to assist with service to students with disabilities.

The SEIMC lending library includes assistive/adaptive equipment and devices, materials for affective/social development, modified curricula for math, language arts, sciences, social studies, vocational education and more. Professional SEIMC resources include those for professional development, special education assessments, and classroom resources.

MEMBERSHIP

- Membership in the SEIMC is available to districts within CESA 5
- Membership cost is based on K-12 school district enrollment

ASSESSMENTS

- Assessments in the SEIMC are available for the cost of replacing the protocols used

BORROWING MATERIALS

- Member district employees can check out an unlimited number of materials from the SEIMC for a standard 3 week (21 day) period
- Items will be delivered via the CESA 5 van

NON-MEMBERS

- Non-member districts may check out items for a per-item fee
