

Visually Impaired Classroom

CESA 5's Visually Impaired Classroom is designed to provide highly specialized supports and instruction to students with significant vision loss or blindness.

Contracted Service SP03b

Our Vision Classrooms

Our staff are highly trained to provide many different supports and services to meet student needs. Some of those supports include, but are not limited to:

- Braille instruction
- Daily living skills and social skills instruction
- Direct instruction in the use of technology designed for individuals who are blind or visually impaired
- Modified Curriculum

Referral Process

To refer a student for services in the CESA 5 vision classroom:

- School district will complete a student information/ referral sheet and provide the IEP and most recent evaluation
- Families will be offered a visit to the classroom

The CESA 5 Visually Impaired Classroom is located at:

Portage High School- 301 E. Collins Street, Portage WI 53901
