

Project SEARCH at Sauk Prairie Healthcare

260 26th Street
Prairie Du Sac, WI 53578
(608) 643-3311

Project SEARCH is a year-long program driven by businesses, aimed at helping young adults with disabilities secure and uphold employment by providing them with hands-on training and opportunities to explore various careers.

Contracted Service SP03c

Project | SEARCH®

Our Program

- Concentrates on developing the strength areas, not deficits
- Delivers transition services in an inclusive setting with total immersion in the hospital culture.
- Provides career exploration and hands-on work opportunities to students
- Works towards independence in areas such as transportation and daily living skills

The Goal

The ultimate goal upon completion is competitive, community employment utilizing the skills learned during the internships and throughout the program with a minimum of 16 hours of community employment.
