

VISION SERVICES

CESA 5 Vision Services include:

- **Orientation and Mobility Specialists (O&M)**
- **Teachers of the Visually Impaired (TVI)**

Contracted Services SP07, SP08

ORIENTATION AND MOBILITY SPECIALIST (O&M)

Orientation and Mobility Specialists provide instruction in the skills needed for safe and independent travel in familiar and unfamiliar environments, focusing on alternatives to using sight which might include the use of a white cane or an optical device such as a monocular.

TEACHER OF THE VISUALLY IMPAIRED (TVI)

Teachers of the Visually Impaired provide instruction in Braille, use of low-vision technology devices to participate in the school's curriculum, and support student acquisition of the skills essential for their education and daily living.
