

Contracted Service (SP17)

SPECIAL EDUCATION FISCAL MANAGEMENT

This service is an option for school districts that have their own, locally employed Special Education Director, but need additional assistance and expertise in the management of special education funding.

Service Includes:

Child Count Guidance & Support

- CESA 5 will work with school district staff to verify all students are FAPE accountable and assist with errors/warnings

Equitable Participation Calculation & Compliance

- Ensure, accurate student data and disability status in WISEgrants
- Advise related to allowable expenses and their coding

High Cost Student Aid Management

- Work with school district staff to collect all student data to determine eligible costs for the aid and complete data entry into the DPI portal

Maintenance of Effort (MOE) Oversight

- Monitor WISEgrants for accurate data uploads, provide support related to spending and coding to ensure compliance, and enter eligible MOE exceptions on behalf of the district

Open Enrollment

- Provide guidance & support with setting open enrollment caps and assist with actual cost financial statements when needed

Transfer of Service(TOS)

- Work with school district staff to create a list of students who have transferred into the district and monitor the TOS system for your school district
