

SPECIAL EDUCATION MENTORING

CONTRACTED SERVICE
SP18

Our Special Education Mentoring services provide essential guidance and support for special education directors and special educators, including teachers, psychologists and other related service providers.

INSIGHT FROM EXPERIENCED LEADERS IN THE FIELD

- *Real-world perspectives, strategies, and solutions based on years of practical experience*

RESOURCES

- *Access to a wide variety of resources, templates, and other practical tools to streamline administrative processes and enhance the quality of special education services*

FOR TEACHERS

- *Classroom management*
- *Curriculum development*
- *Effective teaching techniques*
- *Lesson planning*
- *Problem-Solving*

FOR DIRECTORS

- *DPI Monitoring*
- *IDEA Compliance*
- *Problem-Solving*
- *Special Education management*
- *Training and supervision of staff*

Through regular meetings with your mentor and ongoing collaboration, we empower directors and educators to build confidence, enhance their instructional skills, and create a positive learning environment.
