

Campus ACADEMY

Onsite - Online ...Just in Time!

As time for professional development and training becomes more difficult to find, join the growing number of Wisconsin schools utilizing the resources of the Wisconsin Regional Computer Centers (WiRCC) and its Wisconsin Campus ACADEMY of onsite and online trainings. These targeted and focused learning opportunities, led by certified WiRCC trainers, are created with your staff in mind. Maximize your investment in Infinite Campus by allowing staff to continuously tap into new features, best practices, and proven techniques.
